**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow for more competition. I have suffered under too few competitors with no incentives on their part to improve service or compete on price.

Sonic is doing exactly what is needed.

They are a great competitor to the ATT's of the world. Their monopoly brought terrible service and technology.

Do not let them control every last inch of the infrastructure.

They spent tons of money on advertising and showrooms with no improvement in internet speeds for years. Terrible.

Please let the free enterprise system work. Hooray for the likes of Sonic.
